

Tell me a little about your life history;
particularly the parts that you either remember
most or think are most important

When did you feel most alive?

Are there particular things that you would want
your family to know about you, and are there
particular things you would want them to
remember?

What are the most important roles you have
played in your life (family, vocational, community
service)? Why were they so important to you,
and what do you think you accomplished within
those roles?

What are your most important
accomplishments, and what do you take
the most pride in?

What have you learned about life that you
would want to pass along to others?

What advice or words of guidance would you wish to pass along to those most important to you.
